Directions from I-45 to Gragg Park

Gragg Park is located at the corner of S. Wayside and Wheeler Streets. The Houston Parks and Recreation Department (HPARD)'s main office is located at 2999 S. Wayside St, Houston TX 77023 adjacent to Gragg Park, which is on both sides of S. Wayside. Kuhlman Gully is on the west side of S. Wayside, and HPARD Main Offices and the largest part of Gragg Park are on the east side of S. Wayside.

From I-45 Southeast of Downtown near the University of Houston, take S. Wayside Exit and travel South on S. Wayside towards Wheeler Street. Go past Wheeler Street (intersection with a light) and turn right on Brock Street. Across S. Wayside from the Parking Lot for HPARD is the dead-end cul-de-sac of Brock Street where there is a City of Houston Lift Station. Our cleanup site is near the lift station.

Parking

There is parking available in the office parking lot off S. Wayside on the East Side of the street. There is limited parking on Brock St. There is also parking available on the other side of Brock Street, which can be accessed from Inez Street (one street west of S. Wayside from Wheeler). You can then cross the pedestrian bridge over the Gully to the East side of Brock Street and the Lift Station. Please email site coordinator for map for best parking directions.

Registration

Registration Forms must be signed by all participants. Minors must have a form signed by a parent or guardian. Registration is at Kuhlman Gully Site on Brock Street. Groups of 6 or more are strongly encouraged to complete their registration forms in advance. This will save you time. If you would like to do land-based cleaning in the Sims Woods area, you can go directly to your work site instead of first going to the central registration site if you bring your completed form with you to the event. Registration Forms can be [downloaded here](#).

Area to be Cleaned

This is a land cleanup. We will be cleaning Kuhlman Gully, which is tributary of Brays Bayou. Cleanup will be on both sides of the bayou. This site is typically heavily littered and recommended for adult groups. Children are allowed at the site but prefer those over 10 years of age with adult supervision given the ruggedness of the site.

Schedule for the Day

8:30 am - 9:00 am

9:00 am - 11:30 am

11:30 am - 1:30 pm

Registration at Kuhlman Gully

Cleanup

Optional Lunch at Mason Park (also on Brays Bayou)
