Registration

Registration tables will be located at the covered basketball pavilion. Everyone must sign a registration form that includes a liability release section before heading off to the cleanup. Minors must have the form signed by their parent or guardian. You will be assigned a work zone, receive gloves, trash bags, a ticket for lunch, and a ticket for door prizes. In order to speed up registration procedures, school or scout groups should get their registration forms in advance and bring the completed forms to the event. You can print the form off the [registration](#) section on the Trash Bash website. If you have problems with printing the form, please call us at (713) 697-0648.

Area to be Cleaned

There will be several work zones along the banks of Little White Oak Bayou. NO CHILDREN should go into the water. Small children are invited to pick up trash in the interior areas of the park.
