

Trash Bash

Girl Scouts of all levels can complete Badge and Journey requirements. Some of the requirements are more obvious in the trash bash setting. These include:

All levels can earn step #4 of the GS Ways Badge- they will be leaving a place cleaner than they found it.

Daisy:

Clover Petal

Brownie

Wonders of Water- Save Water Award

Junior Badge:

Animal Habitats Step # 5

Agent of Change- Power of Team Award

Leaders are encouraged to check out the badge requirements for their level to see if they can incorporate additional learning experiences to complete other badge requirements. For example, you may see some flowers when you're completing your clean up. If you discuss flowers and their lifecycles, you could earn part of the Junior Naturalist Badge- Flowers. Or, if you see trees and talk about the parts of the tree and the relationship trees have with humans, you could earn part of the Cadette Naturalist badge- Trees.

Other requirements may be met as part of other Journeys or as part of a Take Action project.
