Site Information:
General Event Safety and Information

Registration, Liability Waiver, and Photo Release Form:

- Every participant MUST sign a liability waiver/photo release before participating in the cleanup.
- Minors must have the waiver signed by their parent or guardian, not just a chaperone.
- Waivers can be downloaded in English or Spanish from the Trash Bash® website. It is recommended to print and complete the form in advance to bring with you, though extra copies will be available at the site.

Site Conditions and What to Wear/Bring:

- Trash Bash® will happen rain or shine unless inclement weather poses a danger to participants.
- Conditions can be slippery, muddy, or overgrown, and temperatures can range from cold to warm.
- Recommended attire: pants, hats, rubber boots or sturdy closed-toed shoes you don't mind getting dirty.
- NO sandals or flip-flops. Volunteers wearing inappropriate footwear will NOT be allowed to participate.
- Bring sunscreen or bug spray as needed.

Accessibility:

- The work is hands-on physical labor and requires potentially lifting heavy objects, using manual tools (pickers, bags), and walking up and down the edge of the bayou on uneven or steep terrain.
- If you have any mobility or accessibility concerns about a site, it is best to contact the specific site coordinator to discuss.

Trash NOT to pickup:

- Not all trash can be safely picked up or disposed of with other waste.
- Do not pick up medical waste, 55-gallon drums or other sealed closed or sealed containers, hazardous materials, broken glass, partially buried items, or heavy items requiring more than one person to lift it. Tell a site organizer the location of the item, and the proper authority will be contacted for collection.

Restrooms:

- At most sites the restroom will consist of port-a-potties with handwashing stations.
- In a few locations additional facilities may be available but cannot be guaranteed. Individual site contacts may have more specific details if needed.
