Site Information:
General Event Safety and Information

Registration, Liability Waiver, and Photo Release Form:

- Every participant MUST sign a liability waiver/photo release before participating in the cleanup.
- Minors must have the waiver signed by their parent or guardian, not just a chaperone.
- Waivers can be downloaded in English or Spanish from the Trash Bash® website. It is recommended to print and complete the form in advance to bring with you, though extra copies will be available at the site.

Site Conditions and What to Wear/Bring:

- Trash Bash® will happen rain or shine unless inclement weather poses a danger to participants.
- Conditions can be slippery, muddy, or overgrown, and temperatures can range from cold to warm.
- Recommended attire: pants, hats, rubber boots or sturdy closed-toed shoes you don't mind getting dirty.
- NO sandals or flip-flops. Volunteers wearing inappropriate footwear will NOT be allowed to participate.
- Bring sunscreen or bug spray as needed.

Accessibility:

- The work is hands-on physical labor and requires potentially lifting heavy objects, using manual tools (pickers, bags), and walking up and down the edge of the bayou on uneven or steep terrain.
- If you have any mobility or accessibility concerns about a site, it is best to contact the specific site coordinator to discuss.

Trash NOT to pickup:

- Not all trash can be safely picked up or disposed of with other waste.
- Do not pick up medical waste, 55-gallon drums or other sealed closed or sealed containers, hazardous materials, broken glass, partially buried items, or heavy items requiring more than one person to lift it. Tell a site organizer the location of the item, and the proper authority will be contacted for collection.

Restrooms:

- At most sites the restroom will consist of port-a-potties with handwashing stations.
- In a few locations additional facilities may be available but cannot be guaranteed. Individual site contacts may have more specific details if needed.

What is provided for volunteers at Trash Bash®:

Supplies

- All volunteers get gloves and trash bags.
- Trash grabbers are available but are limited and are not provided to every individual. If you have your own gloves or trash grabbers you prefer to use you may bring them with you.

Special Notes:

This site does not serve lunch or do door prizes and educational exhibits – it is a satellite site for the Brays Bayou (Gragg Park) site across Wayside. This site is typically heavily littered and recommended for adult groups. Children are allowed at the site but prefer those over 10 years of age with adult supervision given the ruggedness of the site.

Parking:

There is parking available at Gragg Park, 2999 S. Wayside St., Houston, TX 77023, in the office parking lot off S. Wayside on the East Side of the street. There is limited parking on Brock St. There is also parking available on the other side of Brock Street, which can be accessed from Inez Street (one street west of S. Wayside from Wheeler). You can then cross the pedestrian bridge over the Gully to the East side of Brock Street and the Lift Station. Please email site coordinator for map for best parking directions.

Registration Area:

Registration is at Kuhlman Gully Site at 3511 Brock Street. If you are parking in the 5900 Block of Brock Street, cross the pedestrian bridge to the West Side of the Gully.

Area To Be Cleaned:

This is a land cleanup. We will be cleaning Kuhlman Gully, which is tributary of Brays Bayou. Cleanup will be on both sides of the bayou. There are steep slopes on both sides of the gully. In addition to trash pick up, we will do some graffiti abatement at the site, if needed.
